ASHA PRIMARY SCHOOL

~ APS - NEPAL ~

The School starts with Morning Assembly with the school prayer.

We have from classes Play-group to Nulserly to grade 5.

The class starts with a salutation to the teachers.

out-door lessons, when it is very hot.

Small Kids Pleefer to Sit on the floor for studies.

The Students also learn Computer.
Fanny and her father Claus, helped us to establish this in our School.

Lunch time is always Special

Dal-Bhat howe....
Very good Power....

Big Kids also help the little
Kids to finish the food.

All the children get good lunch
in the School.

The kids bring the plates near the washing area, after eating.

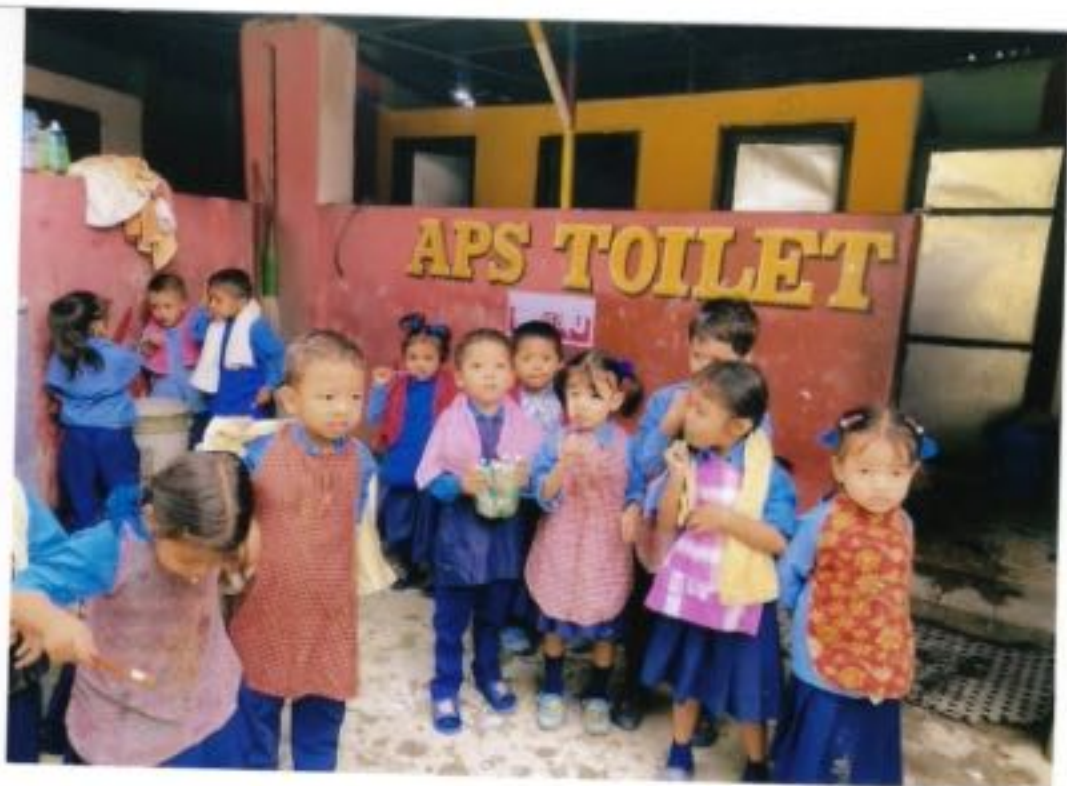

Wash - up.

All the kids must brush their teeth after the food.

Some kids, more than the brushing, they love the Past - It's sweet!

Toilet work - On line...

Nursery kids enjoy a short nap after food. Joy & Deborah from DHBW University - Stuttgart developed this idea.

Before going home - enjoying
the Sand-Box area.

Time to go home.....

This is my shoes.....

Small game, before the school ends.

Bye-Bye ! Now going home.

Have a nice day !
Asha School is a great place for the children.
